Dear Valued Community Partner:

We are reaching out to share an exciting opportunity to partner with XXXX County Children Services in supporting a team dedicated to promoting permanency for youth in agency custody. Through collaboration with Kinnect, XXXX County participates in Youth Centered Permanency Roundtables (YCPRT) for youth aged 12 and older who have been in agency custody for at least 12 months. These YCPRT meetings prioritize the youth's voice and are designed to foster meaningful, lasting relational connections, all with the goal of achieving lasting legal permanency.

At the core of this mission are the youth's dedicated teams—professionals who serve in different roles who come together with compassion, purpose, and unwavering commitment. We invite you to become a vital part of this process by joining an upcoming information session to learn about the role of the **External Consultant**. This role is an individual from outside the agency who listens intently, offers unique insights, and advocates fiercely for each young person's right to family, stability, and belonging. The External Consultant has a unique, yet profoundly impactful opportunity to:

- Engage with youth in out of home care who have been in agency custody an extended period of time;
- Make a positive and meaningful difference in the life of a youth with a minimal time commitment of participation in 90-minute meetings every three months;
- Collaborate with community partners in pioneering youth-led paths to permanency.

Please join us on XXXX, XX at XXX at XXXX to learn how you can contribute to creating a future where every youth feels valued, heard, and supported. To RSVP for this informational session, please contact XXXX at XXXX@XXXX.com or 555-555-5555.
