

# STATEWIDE FACILITATION

**Youth-Centered Permanency Roundtables (YCPRT)**, a program of Kinnect, create a framework putting youth at the center of important meetings designed to lead to permanency. Youth actively participate and help drive the process. Youth invite the important people in their lives to join their YCPRT meetings. During the process, youth have support in building lifelong connections to expedite legal permanency. Rooted in Kinnect’s belief that every young person deserves a family and a sense of belonging, YCPRT is a powerful tool to help make that vision a reality.
